

HAVE YOU ALWAYS WANTED TO BE A TEACHER?

You are eligible for an Induction Pathway 4 certificate* in Georgia if you meet the following four requirements:

1. A bachelor's degree or higher from an accredited institution. If your highest degree is a bachelor's degree and it was earned less than 10 years prior to the date of application, you must have a minimum overall GPA of 2.5. If you do not, you may still qualify by submitting proof of acceptance into a GaPSC-accepted educator preparation program or an accredited advanced degree program.
2. Passing score on the GACE Program Admission Assessment (PAA), or exemption. The following can be used to exempt the GACE PAA:
 - SAT® - 1000 on Verbal/Critical Reading, and Math
 - ACT® - 43 on English and Math
 - If tested with the old GRE® format (before August 1, 2011), candidates need a GRE® composite score of 1030 on Verbal and Quantitative
 - If tested with the new GRE® format (on or after August 1, 2011), candidates need a GRE® composite score of 297 on Verbal and Quantitative
3. Passing score on the appropriate GACE content assessment.
4. Passing score on the Georgia Educator Ethics Assessment - Program Entry (Test Code 350).
